FOI CAM5129 - Bike Lanes Count - FOR ALLOCATION

transport.strategy@camden.gov.uk

FOI CAM5129 - Bike Lanes Count - FOR ALLOCATION

Dear Transport Strategy Team,

Please find below a new FOI request allocated to your team for response.

Reference: CAM5129
Received: 12 December 2025
Requester Query: "I want to know how many bike lanes there are"

Request Type: Simple quantitative inquiry about bike lane provision in Camden

Suggested Response Approach:
This is a straightforward request for numerical data. Please provide:

- Total number/length of bike lanes in Camden
- Consider clarifying what counts as a "bike lane" (segregated cycle lanes, advisory lanes, cycle tracks, etc.)
- If data is available, consider breaking down by type or location

Deadline: 20 working days from receipt (by 10 January 2026)

Action Required:

1. Extract relevant bike lane data from your transport infrastructure records
2. Draft response following standard FOI format

FOI CAM5129 - Bike Lanes Count - FOR ALLOCATION

transport.strategy@camden.gov.uk

FOI CAM5129 - Bike Lanes Count - FOR ALLOCATION

This is a straightforward request for numerical data. Please provide:

- Total number/length of bike lanes in Camden
- Consider clarifying what counts as a "bike lane" (segregated cycle lanes, advisory lanes, cycle tracks, etc.)
- If data is available, consider breaking down by type or location

Deadline: 20 working days from receipt (by 10 January 2026)

Action Required:

1. Extract relevant bike lane data from your transport infrastructure records
2. Draft response following standard FOI format
3. Submit to Information Rights for final review and dispatch

Previous Related FOIs for Reference:

- CAM11012: Bus stop infrastructure changes
- CAM10997: Highway signage matters

Please confirm receipt and let me know if you need any clarification on the request.

Many thanks,
Information Rights Team

Top 5 Most Relevant Previous FOIs:

1. **CAM11012** - Funding for bus stop changes (Transport)
2. **CAM10997** - Sign replacement on Goldhurst Terrace (Transport/Highways)
3. **CAM11040** - Suspension notice timing (Transport/Highways)
4. **CAM10980** - Kentish Town Industrial Area regeneration (Planning/Transport)
5. **CAM11031** - Heat network Southampton Road (Infrastructure)

Best Team: Transport Strategy Team

- Direct responsibility for cycling infrastructure and bike lanes
- Most appropriate for quantitative data about bike lane provision

Now I'll draft the internal allocation email and save it:

Analyzed the request - Simple inquiry about the number of bike lanes in Camden

Selected Top 5 Relevant Previous FOIs - Focused on transport/infrastructure matters (CAM11012, CAM10997, CAM11040, CAM10980, CAM11031)

Allocated to Transport Strategy Team - The most appropriate team for cycling infrastructure data

Drafted Internal Allocation Email - Created a clear, professional email with:

- Request details and reference number
- Suggested response approach
- 20-working-day deadline
- Action steps for the team
- References to related previous FOIs

Saved Gmail Draft - The email is now ready in your Gmail drafts folder for review and sending

The draft provides clear guidance to the Transport Strategy Team on how to respond, including suggesting they clarify what counts as a "bike lane" (segregated lanes, advisory lanes, cycle tracks, etc.) to ensure a comprehensive response.
